

# The **Bay Valley Chinese School**

Learn the most widely spoken language in the world.  
Ensure an early advantage!

Hundreds of kids in the San Ramon Valley are learning to do just that at the Bay Valley Chinese School (BVCS) established 2002, located in Danville, CA.

BVCS is entirely run and managed by parent volunteers. Beside Mandarin classes for school age children, we offer a range of Enrichment Classes such as Chinese Calligraphy and Chinese Conversation 101.

Today BVCS, as it's become known as, has a permanent location at the Charlotte Wood Middle School with a community of over 250 families. It offers classes from kindergarten through 10th grade.

Each school year begins in late August and runs through end of May. Classes meet Friday evenings from 7pm to 8:50pm with a recess break. The school term runs for 31 weeks per calendar year. There is no Chinese instruction during the summer.

**2012/2013 Enrollment starts April 27 and continues through May 11**
